THE ROAD NOT TAKEN

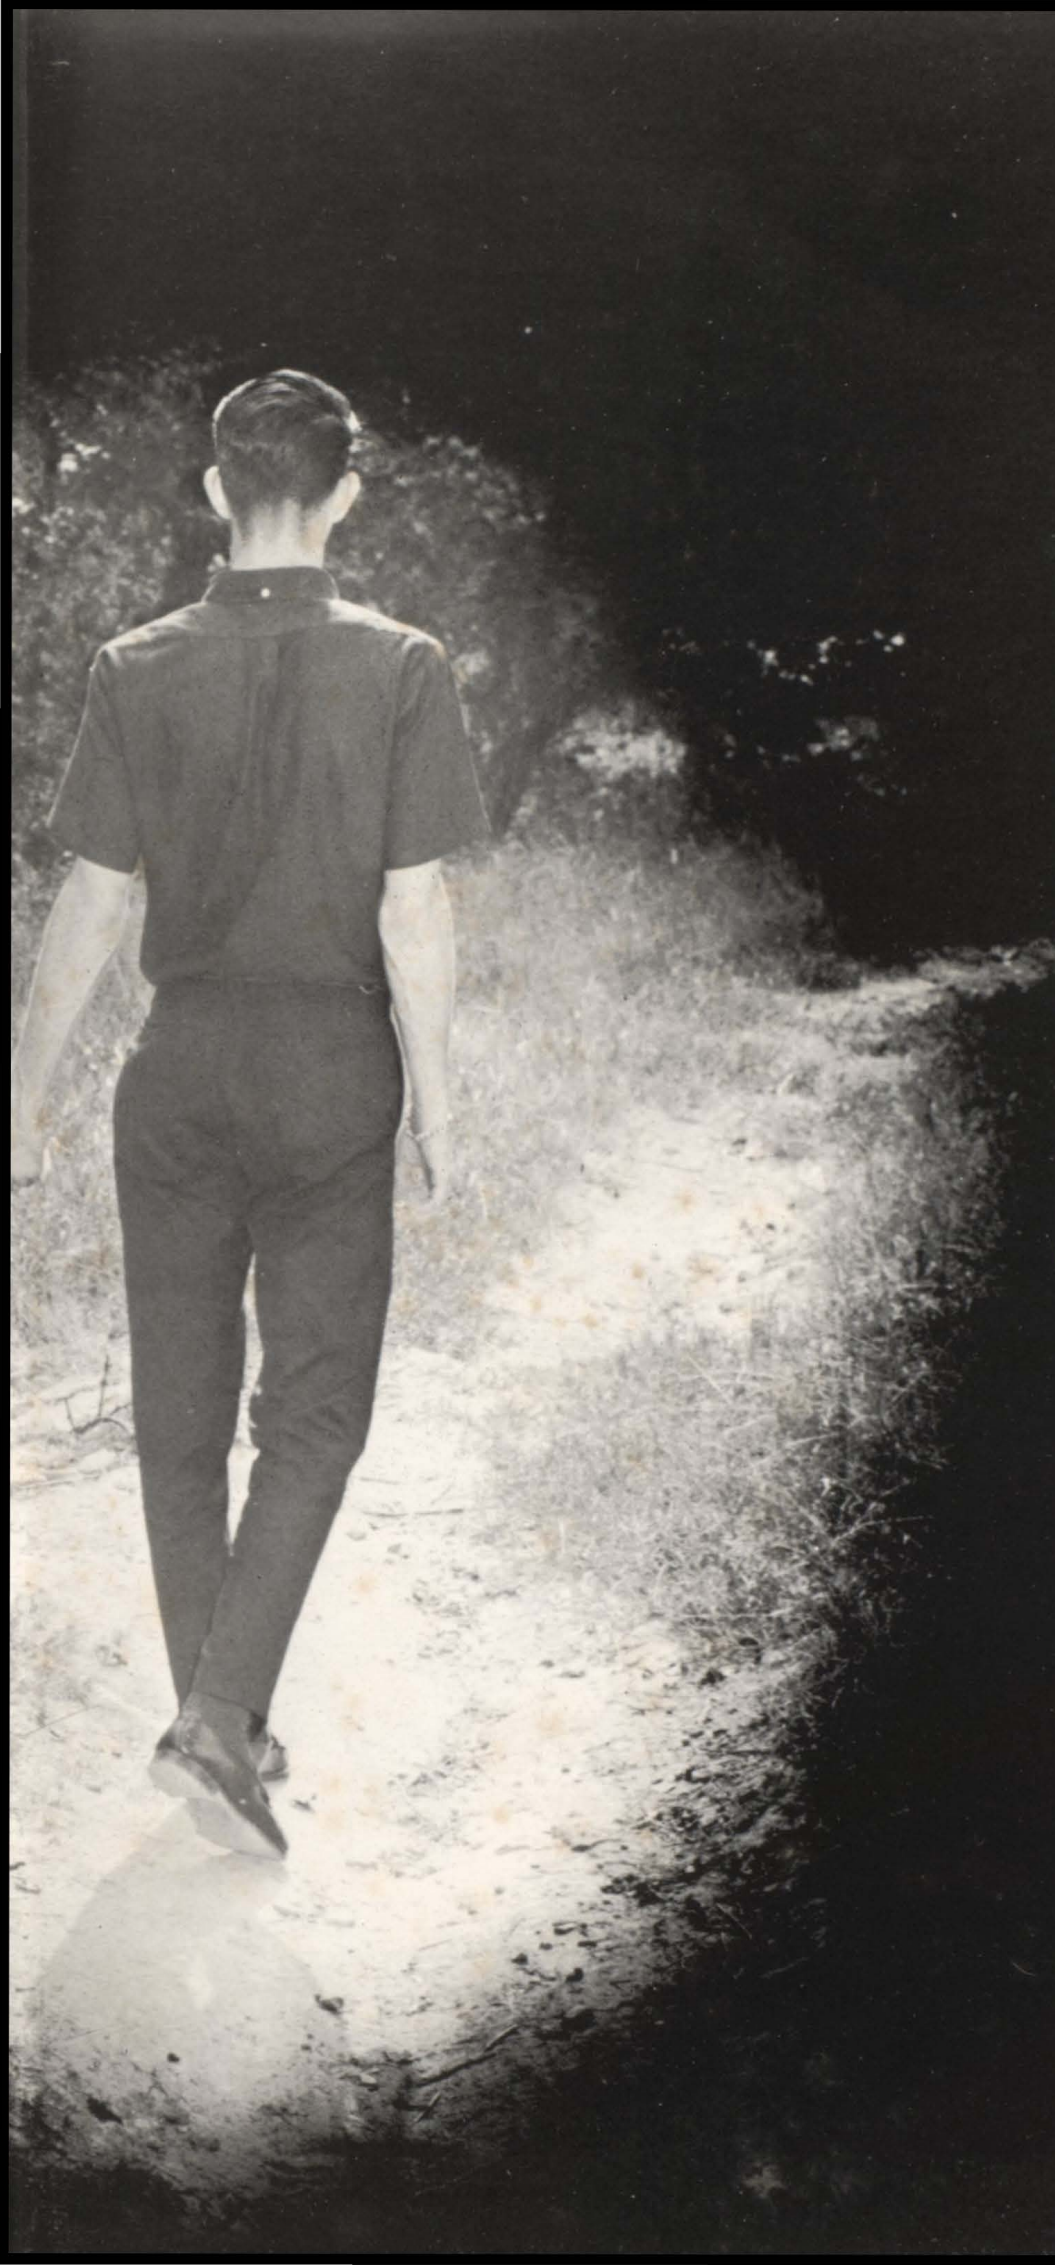
Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth.

Then took the other, as just as fair,
As having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

Robert Frost



Foreword

These two paths are indicative of the decisions that each of us makes in life. Every day we stand at the forks of numerous roads, some merely pathways and others giant expressways. One of the most significant crossroads we face is the one that determines our future. Choosing the right route toward an ultimate goal is essential for our happiness. The road we select may not always be the one with the smoothest surface; it may be made up of many rough spots, but the rewards will overshadow them all, if we have chosen wisely. The most beneficial resolutions are the ones which develop from much thought, careful deliberation, and the advice of more experienced persons. These choices should be made during the high school years or at least have their inception at this time. The course we elect today will mean success or failure, joy or grief in our lives of tomorrow.

McEvoy High School

Six years ago our school was built to advance Bibb County education. Named for an outstanding teacher who spent her life in service to others, McEvoy has grown in these short years. The addition of new classrooms and new teaching facilities, as well as our growth in numbers are examples of the McEvoy tradition, "Forward ever, backward never."

Willingham Senior High School

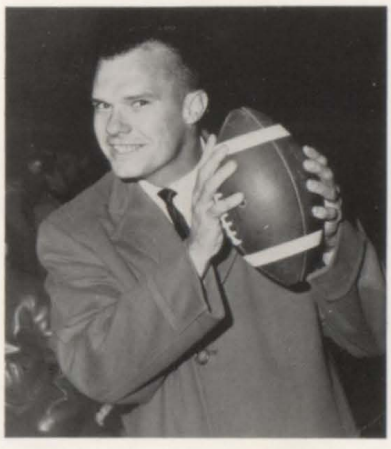
Willingham Senior High School, which opened its doors to students in 1958, and Willingham Junior High, founded in 1960, have a combined enrollment of 1325. This student body and those before it have done much to achieve for our school a position of prestige in our community and state.

Willingham Junior High School

With Sincere Appreciation . . .

To MRS. MARGIE FROST . . . our beloved and patient school secretary, the McEvoy staff dedicates our part of the '64 *Ramscott*. No one else has the type of problems that face Mrs. Frost each day . . . such as playing nurse to at least half a dozen sick girls with as many ailments, admitting ten o'clock scholars to school, letting others leave McEvoy for various reasons, and generally being Mr. Brake's "girl Friday." While Mr. Brake was in Chicago for the principals' convention this year, "Frostie" had to assume his duties—and did so without hesitation. Her job also includes mailing transcripts to colleges for seniors who plan to continue their education. These are just a few of the thousand and one tasks she faces as she handles the problems of the faculty and those of the Lassies. The kindness, friendliness, and efficiency of Mrs. Frost will long be remembered by McEvoy graduates as a pleasant part of their high school years.

To you, BILLY HENDERSON, our loyal head coach, we of Willingham dedicate our portion of the '64 *Ramscott*. Under your skillful guidance, our athletic department has grown to be one of the finest in the state. In these six years you have instilled in every Ram a feeling of pride and devotion to his school that cannot be matched anywhere. As long as Willingham exists, the name Henderson will be held in the highest regard by students and faculty alike.



Jubilant coach after Lanier defeat.

Coach addresses students.

What! Taking his own advice?

Dedication

The death of Mr. Howard S. Peek on December 2, 1963, came as a tragic shock to the faculty and student body of Willingham. Mr. Peek, a man who was interested in his students and devoted to his work, will be a part of some of the fondest memories of many of the alumni and graduating seniors. His sternness . . . his jokes . . . memories of a certain day . . . a certain class . . . a certain man . . . will be imprinted on the minds and hearts of those who knew him.

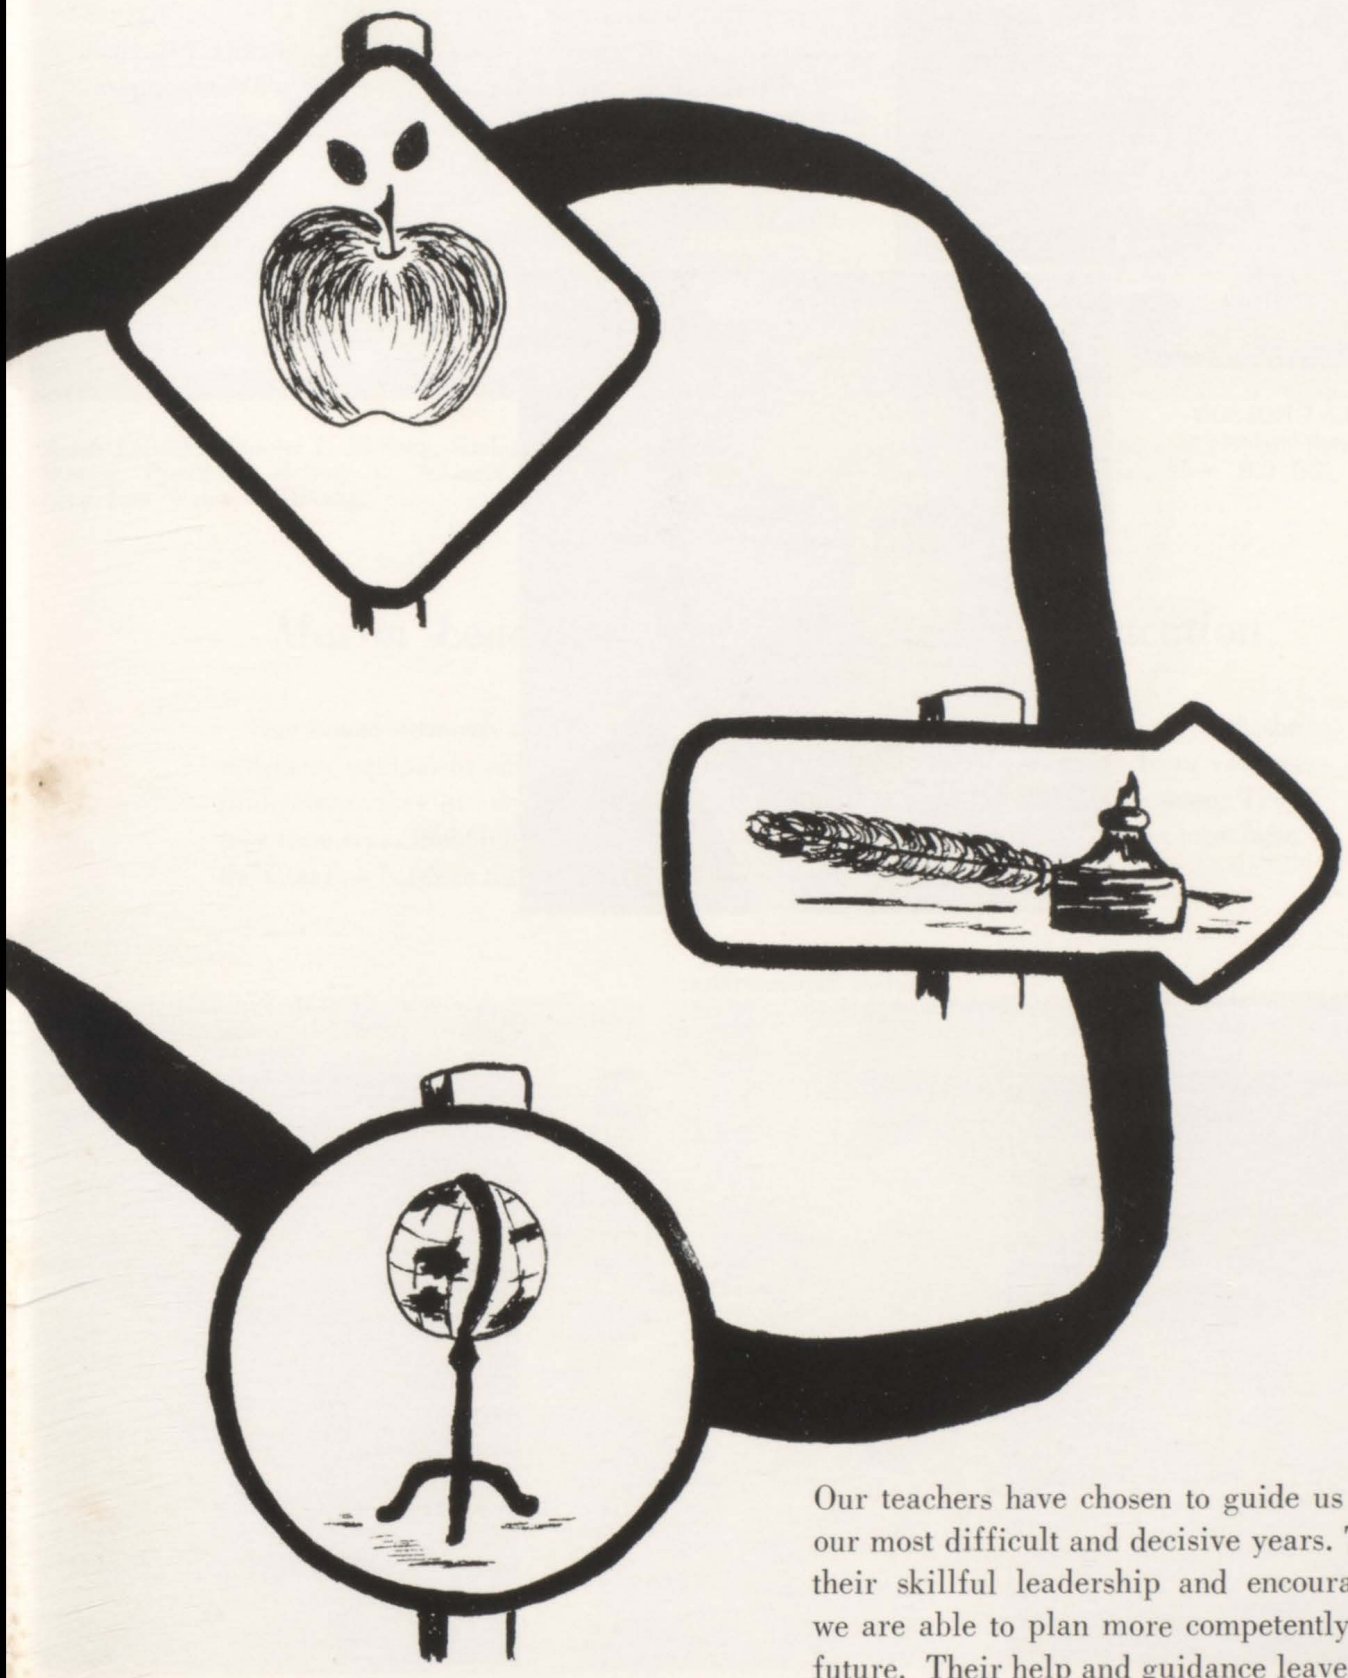
Administration and Faculty



Our teachers have chosen to guide us through our most difficult and decisive years. Through their skillful leadership and encouragement, we are able to plan more competently for the future. Their help and guidance leaves a deep and lasting impression on our lives.

Capable Administrators Lead to Smooth Operation of Schools

Mr. Julius Gholson, Superintendent of Bibb County schools, Lloyd Newberry, Assistant Superintendent, and their Administrative Assistants are responsible for the smooth operation of our schools. Mr. Gholson, former McEvoy principal, and Mr. Newberry, former principal of Willingham, are well-qualified to deal with administrative problems, as are Mr. Jones and Mr. Parker.

Macon Leaders Comprise Board of Education

Our board members meet regularly to form school policies, to provide us with the necessary equipment and to help improve our schools. The members are from various professions: they are doctors, lawyers, manufacturers, bankers, and businessmen. They take time from their busy schedules to plan the Bibb school program. These men form the vital link between the community and the schools.

Secretaries of the Board are: Miss Jessie Sherrer; Miss Tish McCaw; Mrs. Gwen Lasseter; Mrs. Jean Walker; Miss Mary Kelley; Mrs. Kay Britton.

Principals Form School Policy

Our principals deal with student problems, supervise school activities, and maintain discipline. Their jobs also include being part detective, policeman, diplomat, and guidance counselor. They decide on the policies of our schools and supervise official school activities.

Guidance Counselors, Secretaries, Lunchroom Supervisors

Our guidance counselors, besides helping students plan for the future, administer achievement tests and give students information about colleges.

The Willingham and McEvoy secretaries take care of money, make school reports and handle the endless problems that arise each day.

Lunchroom managers are responsible for providing us with well-balanced lunches daily. It's quite a job to cook for 2500 students every day!

Mrs. Tollerson and Miss Sapp give Mrs. Frost advice on how to type her letters.

The Willingham Senior secretary, Mrs. Lamback, and the guidance counselor, Mr. Pirkle, get together with Mr. Downer and Mrs. Weaver of the Junior High to compare notes.

Math Teaches Us

Through studies of algebra, geometry, trigonometry, and modern algebra, we learn to reason and to organize our thoughts. It is not only useful to college-bound students, but it is also necessary in everyday problems. Algebra helps chemistry students with formula writing and trigonometry is a must for physics. Knowing how to use a slide rule simplifies the long, complicated chemistry or physics problems.

Foreign Languages: The Key to Harmony Among Peoples

Students of Willingham and McEvoy have the opportunity to study Latin, French, Spanish, and German. Not only do language students gain at least a brief knowledge of the language they are studying, they also keep up with present happenings in the countries where the language is spoken. Those who study languages improve their vocabularies, learn of the legends and customs of the peoples, and promote better understanding between American citizens and citizens of other countries.

Just because we answered your German question in French, there's no reason to get upset, Mr. Harvey.

Skill, Sportsmanship, Teamwork Learned in Physical Education

Willingham and McEvoy gym teachers strive to give us a well-rounded Physical Education program. The rules of basketball, softball, and other sports are taught so that students can learn teamwork. Willingham has the distinct honor of having one of the top three Physical Education Departments in Georgia. Last spring Willingham students participated in the Marine Physical Fitness Test and compared favorably with students across the nation. This program is to be continued in future years.

Ramscott Editorial Staff Works Year-Long!

The Ramscott Staff, perhaps more so than any other organization, is faced with the huge responsibility to the student bodies of both Willingham and McEvoy. The annual editors must strive to make the Ramscott interesting as well as informative to each individual student. Being a staff member is not only an honor, but also a challenge. Long hours are spent learning how to prepare each section, and even longer hours in the actual preparation. When the final product, the Ramscott, is distributed to the student bodies of McEvoy and Willingham, our work is over!

Ramscott Business Staff Finances Annual

BUSINESS MANAGERS: Pat Pape, Harry Amerson, Pat Prince.

Sue Irby, Bennett Chapman, Sally Holloman.

Paula McPherson, Elaine Slappey, Buford Shurling, Denton Bryant.

Judye Head, Elbert Chute, Rex Kaney, Danny Kennedy.

To produce an annual, we must have sufficient funds. The Macon firms are always willing to help us financially. Selling ads gives the members of the business staff an opportunity to become acquainted with the professional men of the city. This year's staff has worked diligently to make this Ramscott a success; they sold more ads than in previous years—and enjoyed doing it!

Rampage Staff

Mr. Fred Johnson, Principal; Buddy Sherman, Editor-in-Chief; Charles Ross, Managing Editor; Gary Walker, Advertising Manager; Robert Benson, Art Editor; Gary Smith, Asst. Copy Editor; Emmett Goodman, Copy Editor.

The Rampage Editorial Staff has the responsibility of writing, editing, and compiling stories and articles for the *Rampage*, Willingham's school newspaper. The staff is aided in its work of writing the stories by the Junior Journalism Class. The Rampage Editorial Staff, however, is solely responsible for making up the paper.

Assignments must be made to the Journalism Class, members of the Editorial Staff must write stories and columns, the stories must be compiled, and the final layout of the paper must be made. After the paper is printed, the Circulation Editor distributes individual copies to the supervisions, and to neighbor schools for sale to their students.

Willingham-McEvoy Notebook

Sandra Griffin, Phillip Self, Donna Sue Mondy.

Terry Colson, Asst. Circulation Manager; Marshall Beasley, Circulation Manager; Guerry Doolittle, Business Manager; Oney Hudson, Asst. Business Manager; Ricky Payne, Circulation Manager; Doug Patterson, Asst. Circulation Manager; Charles Peacock, Exchange Editor.

Buddy Sherman, Carol Ann Bryan, Charles Ross, Runnell Short, Douglas Patterson.

Each Wednesday night, the Willingham-McEvoy Notebook reports the happenings around our schools. News of clubs, sports, and other activities keep Lassies and Rams up-to-date. Records are played for campus couples who request favorite songs. Reporters for the program are chosen from the Journalism classes of each school.

'Tween Teens Reporters

One of the most profitable jobs that newspaper staff members can obtain is "'Tween Teens" Reporter. These writers are the only members of the "Bonnie Blue Print" or "Rampage" staffs who receive compensation for their articles. Each Sunday, write-ups appear on this designated page to give McEvoy and Willingham news to the people of Macon. This year's reporters have seen that we were well represented.

Joe McDaniel, Sports Editor; Billy Horton, Asst. Sports Editor; Marvin Roberts, Asst. Sports Editor; Val Hallman, Columnist; Richard McCullough, Asst. News Editor; Philip Self, Asst. Feature Editor; Bobby Sykes, News Editor; Jimmy McGahee, Asst. Feature Editor; Bobby Humphries, Asst. News Editor; Walter Garrett, Feature Editor.

Bonnie Blue Print Editorial Staff Helps Make School Life Complete.

Kay Harrington, News Editor; Elaine Howard, Editor-in-Chief; Sheila Waters, Managing Editor.

Seated: Roslyn Hall, "Hop Scotch" Editor; Charlotte Moore, "Leading Lassies" Editor; Anne Cryer, Reporter; *Standing:* LaVane Blair, "Bagpipe Notes" Editor; Glenda Bryant, Photographer.

The editorial staff of a newspaper is responsible for its entire construction. Staff members include editors for news, features, art, and layout as well as columnists and photographers. Without the *Bonnie Blue Print*, life at McEvoy would be incomplete. Putting a paper together is no easy task. As circulation day nears, the girls have to work even harder than usual to get Bonnie put together. When the day arrives, however, the approving comments from pleased Bonnie subscribers make the job well worth the effort. We are proud of our newspaper and our staff.

Barbara Goldstein, Exchange Editor; Nancy Mayne, "Leading Lassies" Editor; Sandra Dodson, "Lassies O'Yore" Editor; Cheryl Smith, "Wee Cues" Editor; Sandra McLean, "Scotch Tape" Editor.

Seated: Gail Joiner, Reporter; Judy Gay, Page Editor; Shirley Arrington, Art Editor; Carolyn Byrd, Page Editor; Judy Moore, Sports Editor; Dona Bateman, Feature Editor; *Standing:* Brenda George, Editorial Assistant; Patti Kell, Page Editor.

Bonnie Blue Print Business Staff Sells More Ads Than Ever Before!

Seated: Judy Gay, Dianne Edwards, Carol Patrick; *Standing:* Chris Davis, Advertising Editor; Blanie Harper, Brenda George, Gayle Bennett, Carol Irby, Business Manager.

This year's newspaper business staff is the smallest staff yet, but they sold more advertisements than the larger staffs of previous years. Ads did not have to be sold later in the year; they were all sold before the time for the first edition. Each summer the business staff meets to receive contracts and organize into groups to sell ads. Meetings between the advertising editor and the business manager are held to plan the layout of the ads before each issue comes out. As with the *Ramscott*, the *Bonnie Blue Print* is financed partly from the sale of ads to Macon businessmen.

Seated: Carol Ann Bryan, Patti Kell, Brenda Epps, Circulation Manager; *Standing:* Runell Short, Beverly McBride, Starlette Colter.

Library Club Serves as Student Guide

Seated: Ronnie Stulz, President; Bobby Jackson, Vice-President; Mickey Scandlyn, Secretary; *Standing:* Roger Hudson, Parliamentarian; Larry Walker, Program Chairman; Harold Lumley, Treasurer.

Row 1: Fred Browning, Ronnie Griffin, Harrell Rogers, Larry Entrekin, Mike Wilkerson, Ronnie Scandlyn; *Row 2:* Terry Buffington, Rodney Pridgeon, Lamar Thomas, James Franklin, Raymond Metts.

A thorough knowledge of the Dewey Decimal System is needed for successful library work. The Library Clubs learn this and all other aspects of reference work so they can help other students use the facilities provided to the fullest degree.

Library Club Helps With Cochran Field Library

A library is a necessary part of any school. Many of the girls who assist in the library are Library Club members. These girls work in the Cochran Field library in the afternoons. This year some of the girls attended the district meetings as well as the state convention at Camp Jackson.

Row 1: Harriet Arrowood, Janet Madden, Joyce Dokes; *Row 2:* Lisa Nobles, Barbara Jones, Patty Willis, Brenda Williams, Elizabeth Dubose; *Row 3:* Beverly Smith, Shirley Douglas, Donna Picklesimer, Angie Dominy.

Sue Boyles, Sergeant-at-Arms; Evelyn Strickland, Treasurer; Audie Schwegman, Secretary; Pat Pape, Vice-President; Elaine Carr, President.

These are two questions frequently asked by enthusiastic Beta members. The day of Beta tapping is frantic, as well as exciting for those who have the pleasant task before them. First there is the desperate search for who is to be tapped; then finally the tapping and the screaming begin.

The three days spent in Atlanta at Beta convention are fun and profitable for individual clubs and for the state organization. Election campaign spirit is felt by all.

The new tutoring service sponsored by Beta Club has helped many girls improve their grades. Any girl who is having difficulty in a subject may get help from Beta members.

Senior Beta members who are in good standing are eligible to have a gold seal placed on their diplomas. Money is raised for scholarships for Senior members from the sale of mints. This activity is done several times each year.

As members of the Beta Club and as citizens of our community, state, and nation, we believe in and strive to promote the principles of:

Honesty
Justice
Cooperation
Responsibility
Industriousness
Humility
Charity

Beta Accents Achievement

Beta Club is a nationwide organization for students of advanced scholastic ability. Upon graduation, each member of Beta receives the Beta seal on his diploma. This seal can mean a great deal to the member's prospective employer.

Each year Willingham Beta Club sponsors a college night for students of the Middle Georgia area, with all schools invited to attend. This year's college night was a huge success, with over four hundred students attending.

Beta's main objectives are recognition of outstanding scholastic ability and informative aids to college prospects.

Senior Dramatics is intended for students interested in theatrical work or possessing considerable acting ability. Senior Dramatics cultivates this ability and refines it for those interested in a theatrical career. Senior Dramatics serves the school by putting on informative skits and raises funds for the senior class by putting on an annual Senior Play.

This year Senior Dramatics also sponsored a study habits skit and aided the Willingham Pride of Dixie Marching Band in several halftime shows.

McEvoy Heads Georgia Student Councils

This year McEvoy was elected to serve as President of the Georgia Association of Student Councils. The McEvoy President, Audie Schwegman, also served as state student council President. Of course it is necessary that the president school have an outstanding year of activities as an example for other Georgia high schools. Student Council membership cards were sold to all McEvoy students. Such a card enabled the bearer to get a cut rate on Student Council-sponsored activities this year which have included: a dance held after the Ram football victory over Athens; the winter carnival dance, at which a king and queen were crowned; and a spring bazaar in which all school clubs participated by having a booth or other fund-raising project. Delegates, Audie Schwegman and Diane Deese, were sent to the meeting of the Southern Assoication of Student Councils in Monroe, Louisiana. Our active. enthusiastic Student Council has proved that McEvoy is indeed a leader.

Many of these girls are Pep Club members and some are aspiring cheerleaders. To try out for cheerleader, a girl must be a Pep Club member. Cheers are taught to club members by the cheerleaders. Tri-Hi-Y Awarded 'Honor AA Club' Certificate

One of our busiest clubs, Tri-Hi-Y has a long list of activities and accomplishments. Because of their work, they were awarded the "Honor AA Club" Certificate presented to clubs who earn a required number of points. Points are given for projects, attending conferences, and for other activities. Delegates from the McEvoy Tri-Hi-Y attended the District Planning Conference, the Officers' Training Conference, the Youth Assembly (for which the Macon clubs suggested a bill to be passed this year), and the Christian Life Conference. A part of the Young Men's Christian Association, the McEvoy Tri-Hi-Y and the Miller Senior Tri-Hi-Y hold a joint banquet each year to announce new officers. The members of our club have a community project and a school project monthly. This year these included supplying each supervision with an American flag, donating books to the library, helping the needy at Christmas and the annual Teen Talks. The Teen Talks were held in February and they emphasized the responsibilities of today's youth. Tri-Hi-Y accepts its responsibility as a service club and serves both McEvoy and the community.

McEvoy Y-Teens Expand

Wanda Garrett, Treasurer; Pat Pape, Secretary; Gina Choff, Vice-President; Sandra Meeks, President; Elaine Carr, Program Chairman; Sandy Cook, Chaplain; Sharon Fann, Sports Chairman.

Eighth, ninth, and tenth grade students now have separate clubs because of the growth of the Y-Teens this year. Juniors and Seniors meet together. McEvoy Lassies may join any of several Y-Teen Clubs. There are the in-school clubs, the after-school club, and the Sports Club, which is composed of members from Miller as well as McEvoy. Every Macon club elects a representative to the Inter-Club Council. Since it was organized, the Inter-Club Council has been headed by a McEvoy girl. A Y-Teen pin is awarded to girls who earn the required seventy-five points, acquired by attending meetings and by participating in other Y-Teen activities. This year, charm courses were held to help girls with their personal development. The potato chip sale was again sponsored by our Y-Teens. The girls also worked to raise money for UNICEF. Each year a Snow Ball, held in December, and a Sweetheart Ball in February are sponsored. Two candidates for Y-Teen sweetheart are chosen from each club. The candidates themselves choose the Sweetheart on the basis of her contributions to Y-Teens. Tournaments are held each year between the Y-Teen clubs including competition in volleyball, basketball and softball.

Future Homemakers of America Prepared Christmas Dinner for Rescue Mission

McEvoy's Future Homemakers of America Chapter places an exhibit in the Georgia State Fair each fall. Members were busy at Christmas time selling greeting cards and preparing Christmas dinner for those at the Macon Rescue Mission. In February the annual Sweetheart Ball was held at which the sweetheart, chosen by the members, reigned. Mothers of chapter members were invited to attend the annual Mother-Daughter Banquet. Some of the girls attended the District Meeting in Albany in the spring. A spaghetti supper and fashion show was sponsored by FHA.

FHA members may earn three awards: the Junior, the Chapter, and the State Degrees.

Our FHA, one of the largest McEvoy clubs, also has quite an agenda. Members are busy throughout the year.

The Willingham Art Club, one of our newest organizations, has become famous in Middle Georgia. By contributions to art shows in schools we have won fame. Our Art Club encourages the promotion of creativity and enjoyment of the beauty of life. In Willingham are traces of the Club—posters, dance backdrops, and other constructive projects. One of this year's projects was creating the backdrop for the football banquet. Since art plays such an important part in all business, art clubs are always in demand. Willingham's club is always there when needed.

Art Show Sponsored by Art Club

Each year the McEvoy art classes display their work for the other students and teachers to admire. All during the year, the Art Club is responsible for providing attractive bulletin boards in the lunch room and in the lobby. The girls do many interesting and practical things with art. They try to show art in everyday life. In February the girls visited the Art Museum in Atlanta. Seeing the works of others not only was enjoyable but the club members also gained ideas from them.

McEvoy Senior Chorus Participates in Music Festival

Every year the McEvoy Chorus attends the District Music Festival and almost always returns with a superior rating. The girls work long and hard to learn their music perfectly. When the day of the festival arrives, the excitement builds. Finally the minute comes when our chorus performs. Afterwards, everyone is tense waiting to receive the ratings. When the girls discover that they have again sung well, they are overjoyed. This year the Melodettes, a group of nine with two other alternates, entered the festival at Wesleyan as an ensemble. All during the year, our chorus performs for various groups. At Christmas time, a musical Christmas program was given at the PTA meeting. Everyone especially enjoyed the chorus' rendition of "Rudolph, the Red Nosed Reindeer" at this year's program. The Spring program every year always requires hard work on the part of every girl. The Chorus and the Melodettes provided programs throughout the year for civic organizations, churches, and conventions of various types.

Rams Down Demons in Season Opener, 21-0

Ram's Dickie Maddox (24) takes a Henderson pass for extra yards as McNeil (62) watches.

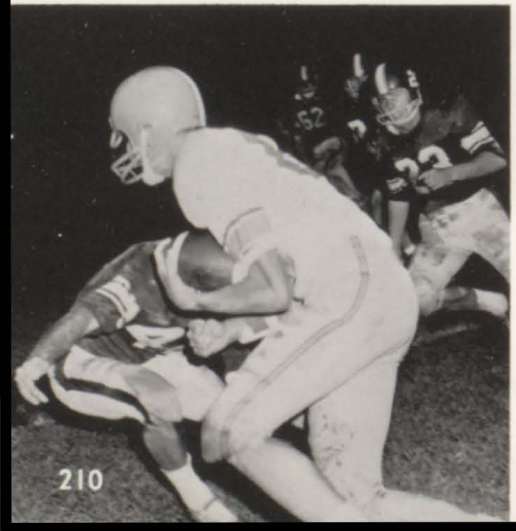
Colson goes over for a score aided by an excellent block by Payne (not in picture).

This year's season opener with Warner Robins was a game well played by both teams but the Demons just couldn't keep up with the fast pace set by the fine passing of sophomore quarterback Brad Henderson, and the fine running by senior quarterback Terry Colson and halfback Charlie Fiveash. Henderson passed for two of the three touchdowns and Colson ran the third one across from 33 yards out. McNeil added three perfect PATs to make the final score 21-0.

Rams, Blue Devils Deadlock, 13-13

Colson gains extra yards on a wide end sweep.

Charlie Fiveash hits Columbus' Reed on second half kick off as Payne, Maddox, and McNeil rush to his assistance.



For the second straight year the Rams and Columbus have played to a deadlock. The game was mostly defensive until the final quarter when 20 points were scored in 4 minutes and 13 seconds, 13 of these belonging to Willingham. A Colson to McNeil pass accounted for the first T.D. with PAT courtesy McNeil. Fiveash intercepted a pass and ran for the Rams final score.

Tackle Ralph Pulliam (88) smashes through the tough Baker line to throw the Lions for a loss.

Rams Lose to Lions, 23-7

Halfback Ricky Payne gets caught at the line of scrimmage by a host of "Lions."

The Ram eleven got off to a slow start against the powerful Baker Lions and could never seem to get rolling. Fumbles seriously hurt Willingham's game by setting up two of the three touchdowns made by Baker. The Ram's only score came in the fourth stanza on a 70-yard drive that went mostly through the air with Henderson completing 6 out of 7 passes before Darrel Parker smashed over from the 2 yard line. The PAT was a-la-McNeil.

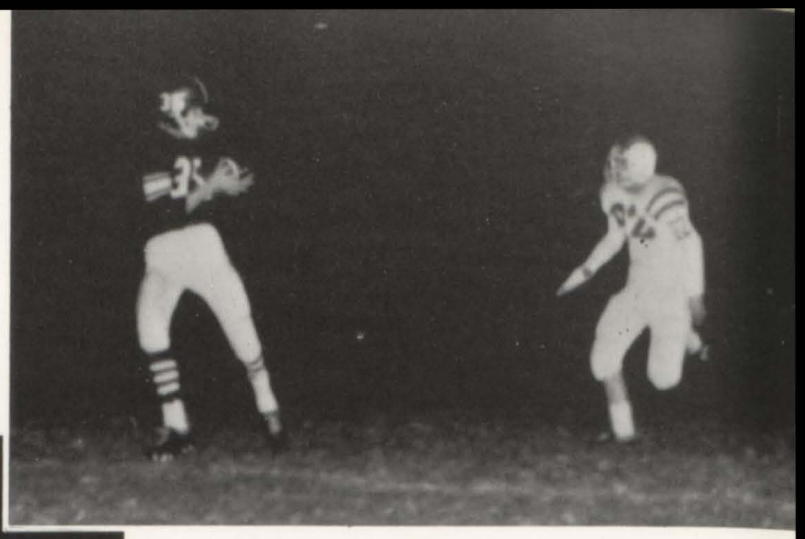
Halfback Ricky Payne (23) breaks up a pass intended for a very determined Granger.

Rams Slip by Lagrange, 7-0

End Prentice Knight grabs a pass and scampers 39 yards to the Grangers 17 for the longest gain of the 61 yard touchdown drive.

Willingham fullback Floyd Evans bulled six yards for a touchdown late in the initial quarter and that's the way it stood for the rest of the game. The payoff drive went 61 yards in just seven plays. A 39 yard pass to end Prentice Knight ate up most of the yardage. Knight caught the ball about 10 yards from the line of scrimmage and did a fine job of running and shaking off tacklers before he was brought down on the Granger's 17. Both teams muffed several more excellent chances to score.

Rams Romp Red Jackets, 33-0



Halfback Derryll Parker goes over on a pass from Henderson.

Fullback Ralph Alligood is stopped by a host of Red Jackets after shaking off another crew of would-be tacklers.

After a strong showing by Jordan in the greater part of the first half, the Rams put together a 74-yard touchdown drive late in the second period and went from there to push over four scores in the second half and completely rout the upset-minded Red Jackets. Sophomores Alligood and Henderson sparked the second half attack. Alligood was the leading ground gainer with 69 yards in 16 carries. Henderson completed 6 out of 10 passes, 3 for touchdowns. Brown accounted for two TDs, Parker, Evans, and Knight added one each. McNeil added all three extra points.

Halfback Charlie Fiveash is stopped after a six-yard gain.

Rams Tromp Trojans, 21-7

Quarterback Brad Henderson puts his head into it but gets pulled down after a six yard gain.

The Rams' only non-region game turned out to be one of the wildest played this year. Athens scored quickly in the initial stanza and led 6-0, but not for long. Early in the second quarter McNeil grabbed a fumble and ran 65 yards to pay dirt. Kinard blocked an attempted quick kick which netted the Rams a two point safety. The second TD came on a Henderson to McKenzie pass. McNeil added the extra point. The final touchdown came on a beautiful 23 yard run by Payne. Evans was the workhorse with 77 yards gained.

Unbeaten Albany Slips by Rams, 13-9

After McNeil and Bateman paved the way with superb blocking, halfback Charlie Fiveash goes over for a touchdown.

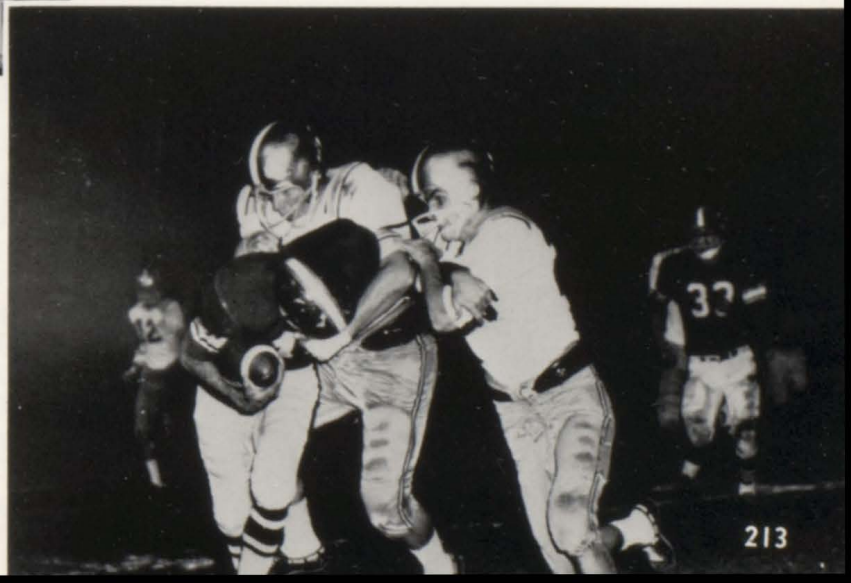
Even though the Rams gained twice as much yardage as the Indians, fate seemed to be against the upset-minded Rams. Everything went wrong in the first quarter and only some "beyond the call of duty" defensive work kept Albany from piling up an overwhelming margin. Evans was the leading ground gainer with 90 yards in 20 carries. The Rams' only touchdown was made by Fiveash and the extra point was added by McNeil. The other two points came when Knight racked up a safety in the end zone.

Quarterback Terry Colson shakes loose from Albany's Rick Rozar (18) and gains 8 yards.

Fullback Floyd Evans returns opening kickoff of game. Payne helps out with a key block.

Rams Blank Wildcats, 13-0

Halfback Charlie Fiveash is brought down by two determined Wildcats.



This year's victory over Valdosta was the first after three consecutive losses. Evans was a human plow with 127 yards gained in 34 carries and both touchdowns to his credit. He bounced over from the one with 8:05 to play in the third quarter and again from the same distance with 9:32 left in the fourth stanza. McNeil added the extra point. Penalties and fumbles prevented Willingham from scoring two or three times in the first half.

Rams, Packers Tie for Third Time, 14-14

Derryll Parker charges around right end for a long gain aided by a key block thrown by Floyd Evans.

Charlie Fiveash gets stopped short on an end sweep.

For the third straight year Willingham and Moultrie have fought to a tie. Colson led the offense with 61 yards in 6 carries. Colson scored the first TD on a beautiful 31 yard run in the second quarter. McNeil booted the PAT. The second score came late in the fourth stanza on a determined drive behind the passing of Henderson and the pass snagging of halfback Fiveash and end McNeil, who took it over from nine yards out. McNeil was the double hero of the night, as he kicked the extra point that notched the score at 14-14.

Rams Over Poets in Rival Thriller, 14-13

Strange things seem to happen to the unlucky Poets who get caught on our side of the field.

Evans makes a stop on a punt return that nearly got away.

Willingham used the deadly accurate toe of Carlie McNeil and the brilliant running of quarterback Terry Colson to edge Lanier 14-13 before an overflow crowd of 11,000 fans in by far the most exciting game of the season. Willingham was seriously hampered by 120 yards in penalties which cut deeply into the 265 yards gained by the Rams. Colson's superb running accounted for 164 yards in 25 carries, including both Ram touchdowns: one on a 2-yard run, the other on a 63-yard dash for the winning marker. Evans was also a stand-out in the backfield with 76 yards in 18 carries. McNeil's two perfect conversions provided the victory just as his PAT did last year. This was the fourth win in a row over Lanier in as many years.

Quarterback Terry Colson cracks over for first Willingham touchdown.

Willingham head mentor Billy Henderson discusses strategy with quarterback Terry Colson.

Lanier's #10 rolls out and is met hard by McNeil, Pulliam, Colson, and Maddox who carry him out of bounds.

The physical education teachers also enjoy sports outside of gym class.

In 1963 the McEvoy physical education staff, headed by Helen Faulkner, organized a gymnastics team. Composed chiefly of Junior High girls, the team has been learning new gymnastics routines this year. The instructors are now trying to form a girls' basketball team. Along with the GAA, the instructors plan gym class activities for the year. This responsibility was shared by the GAA for the first time in '63-'64. Several times during each year students compete in sports with the faculty. The gym instructors are responsible for organizing the faculty team.

Last spring the physical fitness tests were first administered to all girls and will be required in each coming year. Another new requirement added was exercise at least one day of each week. Since this exercise prepared the girls for the tests, several school records were broken.

These girls are "participating" in the six weeks of exercising prior to the beginning of the volleyball season.

The same group is preparing for the physical fitness tests to be given.

Included in the fun are the three-legged race, the kangaroo hop, the tag relay, the fifty yard dash, and the over and under relay. At one o'clock the entire student body, always well prepared with sun glasses and sun-tan lotion, gathers to view the races. As they soak up a little sun, the students cheer for the favorites. Softball games begin the second day and are continued the third day. Teams are chosen from each class by the gym teachers according to ability and sportsmanship. Girls always look forward to volleyball as a relief from the preceding six weeks of exercise. By the time the girls reach Senior High school, they have begun to master such skills as "spiking" the ball. Some of the girls still have not learned how to stand up while playing, however. Having the losing team run around the soccer field encourages the girls to play their best and creates good spirit in class. The climax of the volleyball

season is the Senior-Faculty volleyball game. The faculty team, organized by the physical education teachers, competes with the student team, which consists of seniors only. Three games with limits of eight minutes or fifteen points were played. Although the teachers have been victorious the last few years, this year's seniors almost pulled an upset. Our determined seniors had no difficulty winning the first game. The faculty bounced back in the second game to sail past the seniors 15-5. Sandra Meeks and Pat Prince try their luck at archery.

Ouida Brannan takes advantage of the spring weather to play tennis.

Between the six weeks of exercise and the time volleyball begins, soccer, speedball, and other minor sports are played. The girls find it fun to try new games once in a while. Field hockey is sometimes substituted for speed-ball or soccer for the older girls.

When basketball season ends, archery and tennis fill the time space until softball season arrives. Although these two sports are taken up only a short time, they are enjoyed by both Junior and Senior High girls. Lassies soon discover that tennis is not as easy as accomplished players make the game appear, and that the girls are not at all William Tells!

Touchdown! No, not football, but an exciting game of speedball.

Tumbling is a part of the yearly schedule for the gym classes, but the gymnastics team works year round learning new techniques in the gymnastics field. Good prospects are always welcome, but not everyone can meet the rigid qualifications. These requirements inlcude having a flexible back and over-all agility.

Girls must be able to do a round-off, a cartwheel, a split, a handstand, and forward and backward rolls. Under the direction of Mrs. Hutto, Miss Anderson, and Miss Turner, the girls have learned a great deal. Entering their second year of gymnastics, the girls have accomplished techniques and stunts that seem impossible.

After completion of the physical fitness tests, another rollicking season of basketball begins. Some girls start to show good basketball potential as early as their freshman year. However, these girls never really get to develop their skill, because McEvoy cannot have a basketball team. The boundless energy of these girls is put to use in many events that occur during the basketball season, such as the student-faculty basketball game. The rules and regulations learned during that time of the year also help make lassies better spectators at the Willingham games.

Helen Faulkner took top scoring honors for the faculty with 23 points, and Ouida Brannan led the students with 12.

The annual Willingham-McEvoy Spring football game was held on March 22, 1963. The day's festivities included a joint pep rally at both schools, the Blue-White game, and a dance following the game. The game, which has become a tradition at Willingham and McEvoy, was keenly fought with the strong defensive White squad being victorious 13-6.

The six candidates for Spring Queen were presented to the fans during halftime ceremonies. The queen, Miss Charlotte Moore, was crowned at the dance sponsored by the Ram Club. Charlotte's court consisted of the other candidates—Misses Linda Head, Marsha Young, Sheila Waters, Lana Tyre, and Brenda Smith.

Julia Pouncy, Buddy Sherman, Mary Ann Durden, and Robert Scarborough take part in play presented by the Senior Dramatics Club entitled "Arsenic and Old Lace."

The Senior Dramatics Club, made up of both Willingham and McEvoy students, promotes dramatics in the schools. Each year they present several plays to the students. One of the best presented this year was "Arsenic and Old Lace."

Each year the McEvoy Art Club sponsors an art exhibit. The art work exhibited is done by the students at school. The works are many and varied, some being oils, some ceramics, and others chalks. These paintings present some of the talent and originality of the McEvoy girls.

"Moon River" Theme of '63 McEvoy Junior-Senior

The annual McEvoy Junior-Senior dance was held May 21 in the McEvoy gym. In order to carry out the theme "Moon River," a decoration committee, headed by Elaine Carr, was appointed. A backdrop picturing a couple beside a river under a golden moon added to the atmosphere. White balloons led to the center of the ceiling where a yellow moon was suspended. Small stars and moons bearing the seniors' names hung along each wall. Gifts were presented to each senior by a junior.

Music was furnished by the Don Toland Combo. A breakfast was held at Pinebrook Inn following the dance.

The juniors worked hard to prepare for this dance and the outcome was well worth the effort.

Nancy Hicks, Gayle Bennett, Tommy Deep, and Jimmy Hadden look tired. I wonder why?

Chris Davis and Lamar Harris seem to be enjoying the chairs and tables furnished by the juniors.

Willingham Junior-Senior Held in Naval Reserve Armory

On Friday, May 3, Willingham held their sixth annual Junior-Senior. The dance was held in the Naval Reserve Armory on Riverside Drive. The Don Toland Combo, who also furnished music for the McEvoy Jr.-Sr., played. The dance theme was "Harbor Lights."

Chaperones for the affair were Mr. Charles Byrd and his wife, Mrs. Georgia Watkins. Mrs. Daisy Beatty, and Mr. Fred Johnson.

Following the dance the juniors held a breakfast at Pinebrook, while the seniors had a seperate breakfast at Howard Community Center.

Catalinas Capture First Place in Junior Talent Show

McEvoy held their annual Junior Talent Show on April 1. This year's theme was "The Roaring Twenties." Decorations were carried out along this line with an old-fashioned soda shop. Sheila Waters served as mistress of ceremonies and Joe McDaniel was the soda jerk. Proceeds were used for the Jr.-Sr.

The Catalinas, a band composed of Willingham students, walked off with a well-deserved first place. Donna Sue Mondy twirled herself into second place.

Several couples dance to the music of the Don Toland Combo.

Varied Activities Close 1962-63

Emmett Goodman, one of the brave boys at Willingham, directs traffic in the Willingham parking lot.

As the school year of '62-'63 was coming to a close many and varied activities were taking place. New members from all the Y-Teen clubs in Macon were inducted at the Mother-Daughter Banquet held at the Y.W.C.A. Inter-Club Council officers for the coming year were also installed. Since the Inter-Club Council was formed a McEvoy girl has held the office of President.

On June 5, 1963, the senior classes of both McEvoy and Willingham held joint graduation exercises in the City Auditorium. McEvoy was in charge of the planning of the exercises. Diplomas were presented by William Brake and Fred Johnson, principals of McEvoy and Willingham respectively.

Another important event of the spring is the announcement of the cheerleaders. Junior Varsity, B-Team, and Varsity cheerleaders are announced during an activity assembly period.

Late, Lost Annuals Finally Arrive

Marsha Young and Jim Wooten, editors-in-chief of the '63 *Ramscott*, unpack annuals.

Marsha and Mrs. Hinesley examine the finished product.

Adecia Pierce takes part in the annual tradition of annual signing.

The annuals were late, much to the horror of Mrs. Hinesley and the staff members. According to one of the rumors Mr. Brake had the annuals hidden at McEvoy to keep girls from getting out of class to sign them. The '63 *Ramscott* was well worth waiting for, and the staff should be very proud of their work.

The staff members of the *Ramscott*, the *Bonnie Blue Print*, and the Willingham *Rampage* attended the Georgia Scholastic Press Association convention held at the University of Georgia in Athens. There were representatives from most high-school newspapers and annuals throughout the state. Kay Harrington was elected Second Vice-President.

Runell Short, Donna Sue Mondy, and Ellen Russell display Tri-Hi-Y Easter eggs.

Something must be awfully funny about the geometry project which Mrs. Powell and Roslyn Hall are examining.

Each spring is filled with club projects, assembly programs, and school work. Extra projects take up most of our time, especially senior essays.

This past Easter Tri-Hi-Y took Easter eggs to Bibb Industrial Home and gave the children there an Easter egg hunt. This served as the Tri-Hi-Y project for April and also made the children very happy.

The Wesleyan Washboard Band, composed of six Wesleyan students playing everything from washboards to spoons, was one of the favorite groups participating in our assembly programs this past spring. Besides playing they also sang folk songs.

Pat Pape and Mrs. Berlin talk with Mrs. Nadler, who spoke to the McEvoy government and history classes.

The winning skit in Student Council election.

Another assembly program which is always popular with the students is the presentation of Student Council skits. Each candidate is allotted a time length in which to present her skit and campaign speech. Usually, the week before elections, posters have been plastered all over the school to familiarize the students with each candidate. Only those students who have registered are allowed to vote.

The Middle Georgia Ensemble has become an annual visitor to McEvoy. It is comprised of four students of Middle Georgia College who excel in singing.

This year the history and government classes had a special treat. Mrs. Nadler told of her recent trip to Russia.

One of the most important days at McEvoy is Recognition Day. Trophies are awarded to those who have maintained an "A" average, who have received special awards, or won scholarships. Almost everyone is recognized in some way, even if it is being the worst one in your class.

Summer's Ended, School's "Beginded"

Everything good must come to an end, even summer. Jovial students return to their respective schools. The days fall into a routine very quickly and soon schedule cards are thrown away (Cotton and Beenie still carry theirs of course). The grass which has managed to grow on the hill between the two schools during the summer is quickly trampled. Willingham is deserted in the morning, until the five-minute bell at McEvoy rings. Boys come from all directions, any way they can get to Willingham before class starts. This is a daily occurrence, rain or shine. It just wouldn't be the same without boys at McEvoy before school, would it girls?

"Senior Rings Late"

McEvoy seniors were on "pins and needles" until their senior rings arrived. The Willingham rings were late also, but arrived about a week before McEvoy's.

An important event for all football players, cheerleaders, coaches, and parents is the football banquet. Awards are given to eighth graders, ninth graders, B-teamers, and Varsity players. Outstanding player awards are presented along with cheerleaders letters. A football, signed by all varsity players and bearing the 14-13 score of the Willingham-Lanier game, was presented to Coach Hill who has left the coaching field to enter the insurance business.

Decorations for this banquet were planned and made by the cheerleaders and Mrs. Nikula's art classes.

Homecoming

In preparation for the Homecoming game, the week of October 14-19 was one bustling with activities.

The Allied Medical Careers Club of McEvoy sponsored the sale of mums which were distributed that Friday after school.

A joint pep rally for senior high students was held at Willingham and one for junior high students at McEvoy. Also the annual bon-fire was held behind Willingham's gym. Cheerleaders led students in cheers backed up by the Willingham Band.

Halftime was presented by the Willingham Pride of Dixie Band, at which time the five finalists for Homecoming Queen were presented.

Lana Tyre was crowned Queen at a dance following the game by last year's queen Charlotte Moore. The dance was planned for and decorated by Ram Club, who also had been in charge of the bon fire and decorations at the stadium.

Ram Club nominee: Junior Linda Harris.

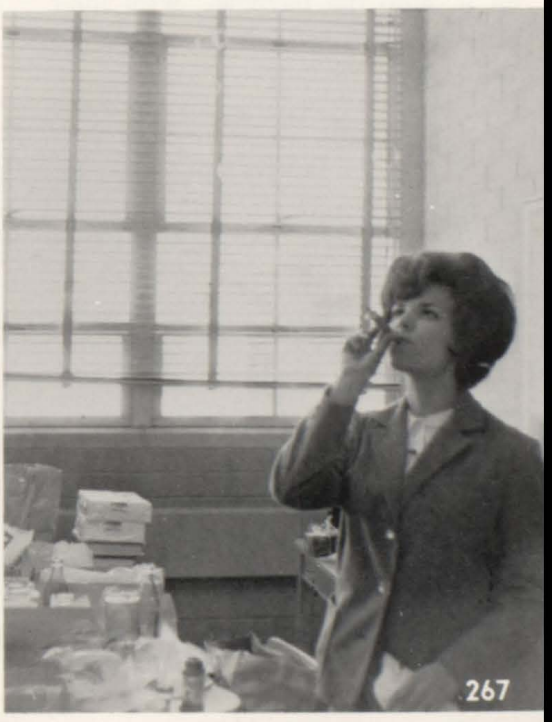
Lana–Queen in '64

I'm forever blowing bubbles!



This year our Homecoming game was played against the unbeaten Albany Indians. The game was bitterly contested and a complete toss-up until the final thirty seconds. Much to the Rams' sorrow Albany won 13-9.

Consolation for the loss of the football game was the crowning of Lana Tyre as Homecoming Queen for 1963-64. The previous week had been filled with campaigns for fifteen girls who had been nominated by clubs at Willingham and the McEvoy Student Council. These fifteen girls were narrowed to ten girls in a preliminary election. Another election was held to choose the five finalists.

Lana is a Varsity cheerleader as well as a captain in the McEvoy band. She made a beautiful queen surrounded by her court of Linda Harris, Donna Evancic, Linda Hall, and Andrea Hammond.

Willingham Wins Again

Willingham's annual football game with their cross-town rivals, Lanier, is always preceded by a week in which school spirit is exhibited by both schools. This year was no exception.

A group of stalwart seniors made the traditional trip to Lanier Senior in the middle of the night. Their objective—to fly a balloon, painted in blue and white with "GO RAMS," on it, atop the flagpole. With their goal accomplished, they returned to Willingham to "protect" it.

Balloon which was flown above Lanier.

During a pep rally at school several leading seniors gave pep talks and led the students in cheers. All during the week before the game elaborate plans were made to try to out-decorate the opposing side.

Pre-game was presented by the McEvoy Band. Halftime was a South Pacific show presented by the Willingham Band.

Faithful fans braved the cold weather to attend game.

Anne Cryer Crowned Queen at First Winter Carnival Dance

Ann Cryer—Winter Carnival Queen.

Mr. and Miss Merry Christmas are announced at Winter Carnival Dance.

As 1963 was drawing to a close the McEvoy student council sponsored a Winter Carnival Dance on December 19. The Don Toland Combo provided the music. The highlight of the dance was the crowning of Miss Merry Christmas by Mr. Brake. Mr. Merry Christmas was also announced.

Miss Merry Christmas was Anne Cryer while Mary Ann Young and Mildred Leaptrot were runners-up. Dwight Tyler reigned as Mr. Merry Christmas with Pudge Butler and Raymond Bateman as runners-up.

The theme of the dance was "The Skater's Waltz." Gail Williamson and Audie Schwegman were in charge of arrangements for the dance.

The last day of school was one of parties and presents. Each supervision had a party with food galore. Seniors, who had been collecting money all week, presented Mr. Brake with $135 to be used for scholarships and library books.

Junior Hootenanny

The traditional Junior Talent Show was replaced by a Junior Hootenanny in order to follow the swing of teen-age taste toward American folk music. The hootenanny was a fund-raising project to finance the 1964 Junior-Senior. Another hootenanny was planned for later in the year.

During January, members of the *Bonnie Blue Print* and McEvoy members of the *Ramscott* were initiated into Quill and Scroll, an honorary club for high school journalists. We have the only Quill and Scroll Club in Macon.

Beta Club Sponsors Career Day

Again Beta Club sponsored Career Day. Several weeks before the planned date a survey was taken to see just what careers were the most popular among the girls. As usual, teaching, being an airline stewardess, being a beautician, and being a nurse ranked among the top careers requested.

The annual Rich's spend-the-day trip was planned for February 29, the extra day in the year. This trip is sponsored by the McEvoy senior class each year in order to raise money for scholarships to be given out Recognition Day. The group goes up on the Nancy Hanks in the morning, spends the day shopping at Rich's, attends a fashion show presented by Rich's, and returns on the train that evening.

"Don't be a litter bug" is the campaign of the Student Council. An all-out drive to clean up the campus was sponsored by McEvoy's Student Council. Posters were placed around the school and trash cans were made available everywhere.

Ramscotts Collect Money for March of Dimes

The Teen-age March of Dimes held bread sales and bottle collections instead of road blocks. This eliminated some of the danger involved for the students collecting. The bread sales and bottle collections were carried on on a door-to-door basis. Macon teen-agers collect a lot of money for the March of Dimes each year and have a good time doing it.

Tri-Hi-Y held a series of panels on different subjects. Some of the subjects discussed were sportsmanship, conduct, and citizenship. Different students were asked to participate each month.

Lanier Game Draws Huge Crowd

Willingham's home game with Lanier was one of the most spirit-packed in the school's history. Signs were made to show the Poets how determined we were to win—and we almost did. There were several dances after basketball games this year which added interest to the games.

Another basketball game which aroused a lot of spirit was one between the McEvoy Seniors and Juniors. This basketball game was sponsored to raise money for the *Ramscott* March of Dimes team. It was a rousing success for the Ramscotts and Seniors, who won the game.

There's always one!

"Moments to Remember"

The 1964 F.H.A. Sweetheart Ball was held on Valentine's Day in the McEvoy gym. The theme for the dance this year was "Moments to Remember." Decorations helped carry out this theme as well as the Valentine theme.

The Galaxies from Lanier furnished music. They had played at several other dances this year.

Patsy Spires was selected out of ten girls who were nominated by the club. An election was held to choose five finalists from which the Sweetheart was chosen. The Sweetheart is chosen on popularity as well as beauty.

Star Students Are Chosen

Star students are picked on the basis of College Board scores and first semester grades. A student is picked to represent each high school in the district, state, and national contests. Both Elaine Carr and Walter Garrett are president of the Beta Clubs at their schools.

This year McEvoy is president school of the Georgia Association of Student Councils. We are custodian of the G.A.S.C. flag. Audie Schwegman, being president of McEvoy, represented Georgia in the national Student Council convention in Virginia. This is a great honor which has been bestowed upon McEvoy and we have truly lived up to the state theme "Youth in Action."

Advertising is a great influence on all of us; it affects our schools, our homes, and our community. Were it not for the contributions and support of the businessmen of our town, our task of producing an annual would have been inexpressibly more difficult.

oldest child" of the Georgia Baptist Convention,
as been the chief source of Baptist minis-
rial and lay leaders through the years. Among
e many notable Baptists who established this
stitution, three stand out: Josiah Penfield,
ose legacy launched the movement; Jesse
rcer, who nurtured and supported the project;
lington M. Sanders, who, with Cynthia Holliday
nders (Old Miss), fostered it through the
st seven years. Mercer was one of the few
leges in the South that remained open during
War Between the States and the only one for
in Georgia. It was moved to Macon in 1871.

MERCER UNIVERSITY welcomes graduates of McEVOY and WILLINGHAM High Schools. The curriculum is especially designed for those who would be ministers, teachers, lawyers, business executives, doctors, or pharmacists. For information, contact the DIRECTOR OF ADMISSIONS.

TABLE OF CONTENTS ... 4-5

We, the '64 *Ramscott* staff, would like to express our thanks and appreciation to the many people who have aided in the assembling of this year's annual.

We would like to extend special appreciation to Mrs. Dorothy Cox for helping with the art work . . . to Mrs. Roy Wyche, Jr., for allowing us to use her home for pictures . . . to the Bibb County Board of Education for allowing us to use the new building for pictures . . . to the Macon *Telegraph* and *News* for sending us their used pictures . . . to Drinnons for their time . . . to Coke's for developing our pictures quickly and well . . . to Mr. Bill Barron for his kindness in giving us sports pictures.

Special thanks go to our understanding principals and patient faculty members for helping by excusing us from class on many occasions.

Each member of the staff gives a big "thank you" to their parents for understanding lower grades and long hours away from home.

Mrs. Hinesley and Mrs. Herring have done an excellent job as editorial advisors. Mrs. Burt, we thank you for the hours spent working with the business staff.

We, the editors, would like to say thanks to our staff and to each of the students for your cooperation.

This is *YOUR RAMSCOTT* for 1964.
